M 1 The Grammar Grand Prix – rules of the game

Tenses, the passive voice, indirect speech! Take part in the formula 1 race and become a grammar pro!

Rules for the race

Preparation

Choose a token¹ and put it on the board.

Shuffle the cards and put them face down² in a pile.

You can use a sheet of paper to write down the answers. This might help because sometimes you will have to make a sentence or put words into the right order.

Playing the game

- If you are the youngest player, go first. The player on your right draws a card from the pile and reads it out. He/She can show it to you (covering the answer with his/her hand) so you can see the task. Answer the question.

Were you right? → If you got 1 point, move forward 1 space³. If you got 2 points, move forward 2 spaces and so on. There is a maximum of 3 points.

Were you wrong? → Wait for your next turn and try another question.

- Then the player next to you (clockwise⁴) goes on.
- Are you the first to cross the finishing line? Congratulations! You've won the race. You really must be a grammar professional! ☺

Special fields

You've landed on the **fast lane**. Lucky you! Move forward 3 spaces!

Fast Lane

You have to do a **pit stop**? Miss a turn!⁵

Engine damage? Oops, go back to the start.

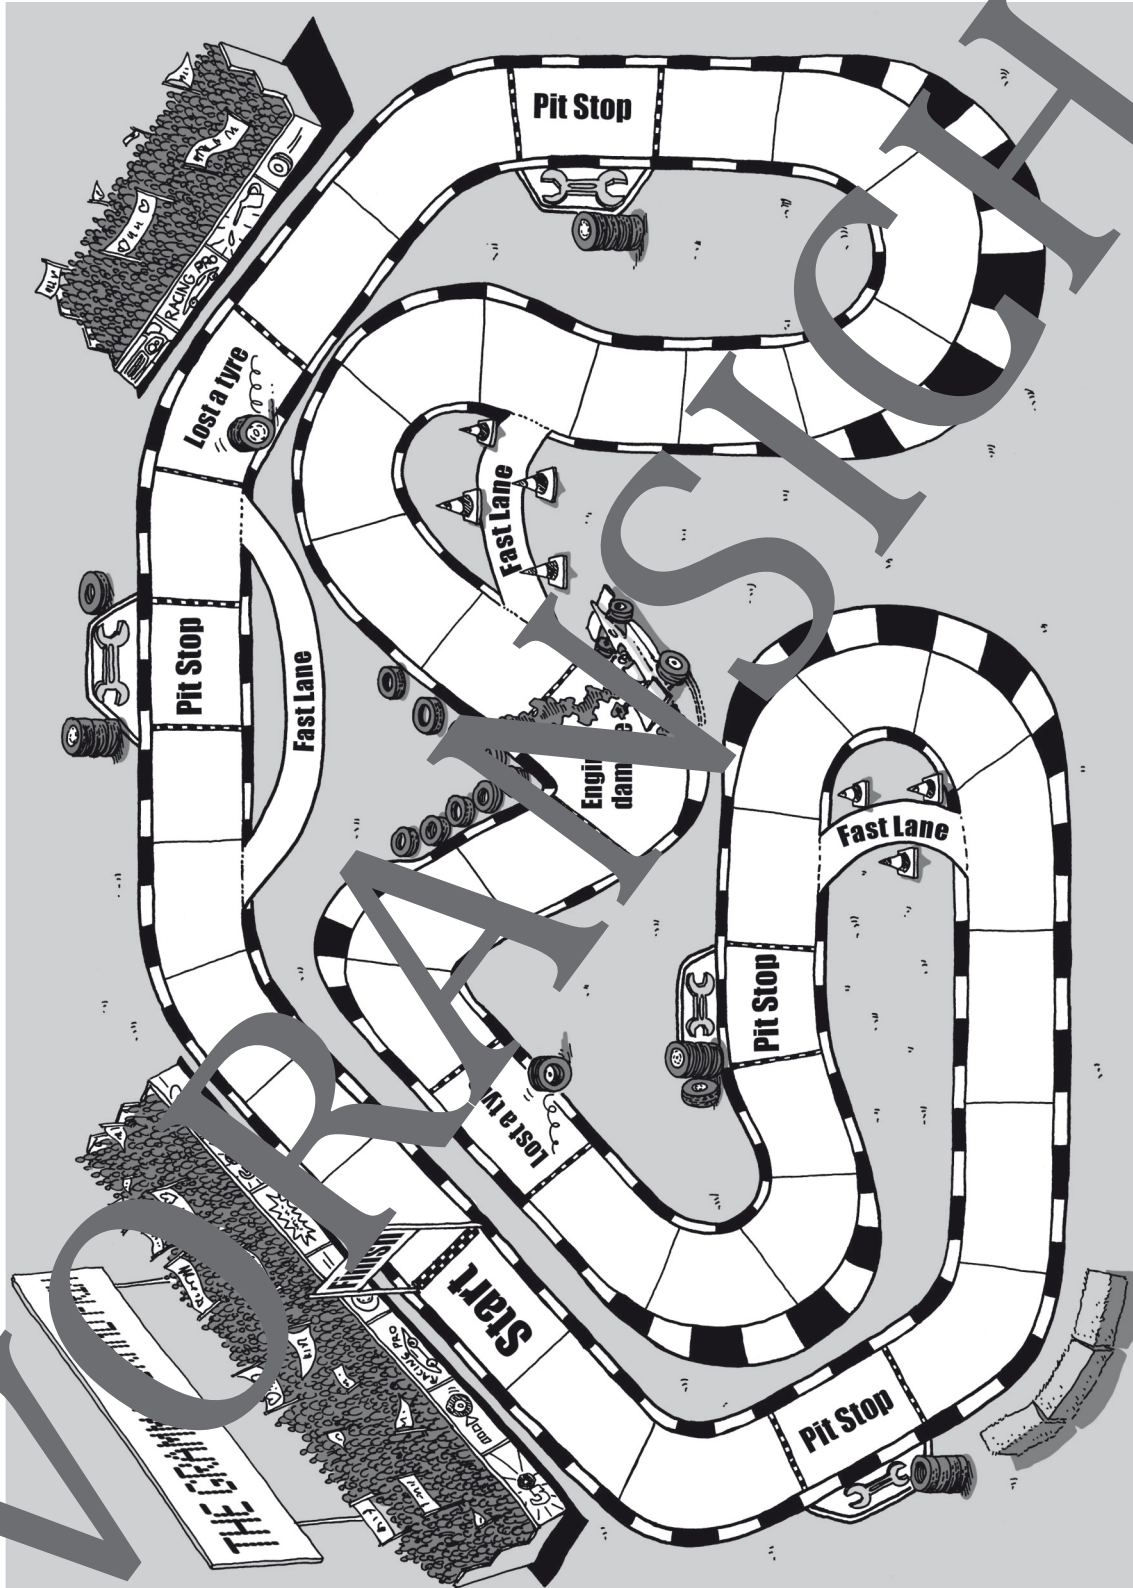

Lost a tyre? Go back to the last pit stop and wait for your turn again.

1 token: der Spielstein, die Spielfigur – **2 face down:** mit dem Text nach unten – **3 space:** das Feld – **4 clockwise:** im Uhrzeigersinn – **5 Miss a turn!:** Einmal aussetzen!
