Welcome to Hobbiton

Do you like the *Lord of the Rings* movies?

One of the film sets which you can visit is near Matamata on a farm. Here you can go on a two-hour tour and learn everything about the hobbits and how some parts of the movie were made. You can also see the hobbit holes, the houses where the hobbits live. Today this place is used as a sheep farm. That means after the tour you can cuddle¹ and feed the lambs.
